(4) Increase and stabilize long-term public and private funding and resources for delivery of civil legal services to low-income Hawai‘i residents.

(6) Increase pro bono contributions by Hawai‘i attorneys through such things as rule changes, recruitment campaigns, increased judicial involvement, and increased recognition for contributors.

(7) Reduce barriers to the civil justice system by developing resources to overcome language, cultural, and other barriers and by giving input on existing and proposed laws, court rules, regulations, procedures, and policies that may affect meaningful access to justice for low-income Hawai‘i residents.

(8) Encourage lawyers, judges, government officials, and other public and private leaders in Hawai‘i to take a leadership role in expanding access to civil justice.

(9) Educate governmental leaders and the public about the importance of equal access to justice and of the problems low-income people in Hawai‘i face in gaining access to the civil justice system through informational briefings, communication campaigns, statewide conferences (including an annual summit to report on and consider the progress of efforts to increase access to justice), testimony at hearings, and other means, and increase awareness of low-income people's legal rights and where they can go when legal assistance is needed.
(10) Increase effective utilization of paralegals and other non-lawyers in the delivery of civil legal services to low-income Hawai‘i residents.

(11) Increase support for self-represented litigants, such as through self-help centers at the courts.

(12) Develop initiatives designed to enhance recruitment and retention of attorneys who work for nonprofit civil legal services providers in Hawai‘i and to encourage law students to consider, when licensed, the practice of poverty law in Hawai‘i.

(13) Encourage the formation of a broad coalition of groups and individuals to address ways to alleviate poverty in Hawai‘i.

(14) Conduct a statewide assessment of unmet civil legal needs among low-income people in Hawai‘i five years after the Commission holds its first meeting to measure the progress being made to increase access to justice.
