In 2019, the Hawaii Justice Foundation (HJF) experienced positive financial increases in key income areas. HJF faced many of the same financial difficulties experienced by other charitable foundations during the years 2009 through 2015. However, HJF is now in its best financial condition ever. HJF has a strong team with its Board, officers, auditors, accountants, and management. HJF has deep and positive relationships with the Judiciary, legal service providers, IOLTA banks, HSBA, School of Law, and the general legal community.

The Interest on Lawyer Trust Accounts (IOLTA) Interest Rates. HJF’s primary source of income is through the Interest on Lawyer Trust Accounts (IOLTA) Program. The amount of income from IOLTA varies directly with interest rates, which dropped from 5.25% in September 2007 to 0.25% in December, 2008. Starting in late 2015, the federal funds target rate began increasing, although there have been two decreases recently in this target rate. Hawai’i’s banks have been cooperative in implementing favorable rates for IOLTA accounts, which has allowed HJF to increase its IOLTA grants. For 2020 it is anticipated that IOLTA income will decrease but will be substantially higher than during 2009 through 2015. Sums distributed through IOLTA in recent years are: 2005, $70,000; 2006, $155,000; 2007, $278,000; 2008, $410,000; 2009, $345,000; 2010, $175,000; 2011, $152,050; 2012 $124,650; 2013 $104,000; 2014 $100,000; 2015 $125,000; 2016 $155,000; 2017 $207,500; 2018 $362,500; and 2019 $726,500. For 2020, IOLTA awards are in excess of $700,000.

The Continuation of Funding through The Bretzlaff Foundation. In addition to IOLTA grants, each year HJF distributes a minimum of $100,000 to the ten Bretzlaff grantees, due to the generosity of The Bretzlaff Foundation of Reno, Nevada. In 2019, a total of $113,500 was awarded.

The Indigent Legal Assistance Fund (ILAF). ILAF is a process where surcharges are collected on certain filing fees in the State of Hawaii Judicial System. These funds are retained by the Judiciary for distribution to qualified low-income service providers under the statutory formula. From the inception of ILAF, HJF has served as the ILAF Administrator. ILAF funds are distributed in cooperation with the Hawaii State Judiciary, the legal service providers, and HJF. In FY 2019, ILAF distributed $1,000,000 to eight legal services grantees with a similar amount for FY 2020. This is a critical part of funding for legal services, and the Legislature is to be commended for its creation of this valuable program.

Bank of America Settlement Funds. Hawaii was not part of the litigation with the Bank of America, but all states received financial benefits from the funds involved in the settlement with the Bank of America arising from the foreclosure crisis. HJF received a total of $1,810,000 from this settlement, with the funds to be awarded to legal aid organizations for foreclosure prevention and community redevelopment legal assistance. Through 2019, approximately $1,683,000 has been distributed.

The Cades Foundation. Each year in June, the Hawaii Access to Justice Commission hosts its Access to Justice Summit Conference held at the Richardson School of Law. The Cades Foundation has generously provided yearly financial support to HJF for this event. The keynote speaker for 2019 was Daniel Greenberg, Special Counsel for Pro Bono Initiatives, Schulte Roth & Zabel, New York. More than 275 attended the event, and the Conference is always the yearly highlight of access to justice activities.

Please be assured that HJF has sufficient operating income and reserves to ensure our continued ability to work for access to justice. We ask you to join with us in these efforts, and we are optimistic for the financial outlook for 2020. Much work remains to be done to achieve the ideal and goal of achieving “justice for all.”

2018-19 and 2019-20 ILAF Grants Total $1,000,000 Per Year
The Indigent Legal Assistance Fund (ILAF) is a process where surcharges are collected on certain filing fees in the State of Hawaii Judicial System. These funds are retained by the Judiciary for distribution to qualified low-income service providers. The Hawaii Justice Foundation acts as Administrator for these funds. ILAF funds are distributed in cooperation with the Hawaii State Judiciary, the low-income service providers, and HJF. ILAF is a critical part of funding for legal services. The Legislature is to be commended for its creation and support of this valuable program that is a partnership between the Judiciary, HJF, and the participating legal service providers.

The amount available in ILAF funds varies each year, depending upon the number of eligible cases filed and the rate of the surcharge. The ILAF program has seen significant growth from earlier years, due to the surcharge rate increase.
